Name	Subscribe	Description
Scientific American	http://www.scientificamerican.com/podcasts/	Join host Steve Mirsky each week as he explores the latest developments in science and technology through interviews with leading scientists and journalists. There's also 60 Second Science: tune in every weekday for quick reports and commentaries on the world of science—it'll just take a minute
Song Exploder	http://songexploder.net/subscribe	Song Exploder is a podcast where musicians take apart their songs, and piece by piece, tell the story of how they were made. Each episode is produced and edited by host Hrishikesh Hirway in Los Angeles. Song Exploder is a member of the Radiotopia podcast network, and a feature in WIRED. The show launched on January 1, 2014.
This American Life	http://www.thisamericanlife.org/podcast	Most weeks This American Life is the most popular podcast in the country, with around one million people downloading each episode. There's a theme to each episode of This American Life, and a variety of stories on that theme. Most of the stories are journalism, with an occasional comedy routine or essay. There's lots more to the show, but it's sort of hard to describe.
The Critical Path	http://5by5.tv/criticalpath	The Critical Path is a talk show contemplating the causality of success and failure in the evolving story of mobile computing and related industries. Using Apple as a lens to look at existing and emerging tech markets, we try to understand what it means to be great.
Tim Ferriss	http://fourhourworkweek.com/podcast/	<p>The Tim Ferriss Show is generally the #1 business podcast on all of iTunes, and it's been ranked #1 (of all podcasts) on many occasions. It was also selected as iTunes' "Best of 2014" and "Best of 2015." In recent months, downloads have shot past 60,000,000 downloads.</p> <p>Each episode, I deconstruct world-class performers from eclectic areas (investing, sports, business, art, etc.) to extract the tactics and tools you can use.</p>
NPR	http://www.npr.org/podcasts/	

NY Times Book Review	http://www.nytimes.com/pages/podcasts/	The world's top authors and critics join Sunday Book Review Editor Pamela Paul in lively conversations about books, arts and ideas.
Fresh Air	http://www.npr.org/podcasts/381444908/fresh-air	Fresh Air from WHYY, the Peabody Award-winning weekday magazine of contemporary arts and issues, is one of public radio's most popular programs. Hosted by Terry Gross, the show features intimate conversations with today's biggest luminaries.
On being	http://www.onbeing.org/podcast	On Being opens up the animating questions at the center of human life: What does it mean to be human, and how do we want to live? We explore these questions in their richness and complexity in 21st-century lives and endeavors. We pursue wisdom and moral imagination as much as knowledge; we esteem nuance and poetry as much as fact.
Pardon the Interruption	http://espn.go.com/espnradio/podcast/archive?id=2406595	Tony Kornheiser and Michael Wilbon face off on the day's hottest topics
HoCoMoJo	http://www.hocomojo.com/	Independent MOBILE JOurnalism Showcasing the "mojo" of HOward County
Real Time with Bill Maher	http://www.stitcher.com/podcast/real-time-with-bill-maher-49758	HBO's popular television show Real Time with Bill Maher for listening in on demand podcast format. The always outspoken Maher is known for his political satire and sociopolitical commentary, which targets a wide swath of topics including religion, politics, the mass media, and more.
Grantchester	http://www.pbs.org/wgbh/masterpiece/podcast-book-club/grantchester/	"As a priest, isn't everything our business?" asks Reverend Sidney Chambers as he gets to the bottom of another baffling murder around the placid village of Grantchester. James Norton stars as the handsome, jazz-loving vicar, with Robson Green as his law-enforcement ally, Inspector Geordie Keating. The series is based on the acclaimed novels by James Runcie.
All things considered	http://www.npr.org/programs/all-things-considered/	Every weekday, All Things Considered hosts Robert Siegel, Audie Cornish, Ari Shapiro, and Kelly McEvers present the program's trademark mix of news, interviews, commentaries, reviews, and offbeat features. Michel Martin hosts on the weekends.

WTF	http://www.wtfpod.com/podcast/	For over twenty years, Marc Maron has been writing and performing raw, honest and thought-provoking comedy. In September 2009, Marc changed the podcast landscape when he started WTF with Marc Maron, featuring Marc's revelatory conversations with iconic personalities such as Conan O'Brien, Terry Gross, Robin Williams, Keith Richards, Ben Stiller, Lorne Michaels and President Barack Obama.
The Cyberwire	http://thecyberwire.com/podcasts/	The CyberWire Daily Podcast is our look at what's happening in cyberspace. It provides a clear and concise summary of the news and offers commentary from industry experts as well as our Academic and Research Partners. Each Friday, we provide the usual daily summary along with a look back at the news for the entire week. We publish each weekday afternoon (in time for US East Coast drive-time.)
TED Talks	https://www.ted.com/about/programs-initiatives/ted-talks/ways-to-get-ted-talks	TED is a nonprofit devoted to spreading ideas, usually in the form of short, powerful talks (18 minutes or less). TED began in 1984 as a conference where Technology, Entertainment and Design converged, and today covers almost all topics — from science to business to global issues — in more than 100 languages.
Classic Radio	https://itunes.apple.com/us/podcast/classic-radio-drama-ot-r/id121386314?mt=2	For those times when you want to lie back, close your eyes and enter the time when radio shaped your world. Each week, PirateTV Theater features a program selected from our library of classic radio plays. The classics and some modern radio-inspired art will all be featured as we travel into the era of the imagination. Listen to characters who never were, but became real through the marvels of radio.
Wait wait don't tell me	http://www.npr.org/podcasts/344098539/wait-wait-don-t-tell-me	NPR's weekly current events quiz. Have a laugh and test your news knowledge while figuring out what's real and what we've made up.

Serial	https://serialpodcast.org/	Serial is a podcast from the creators of This American Life , hosted by Sarah Koenig. Serial tells one story—a true story—over the course of a season. Each season, we follow a plot and characters wherever they take us. We won't know what happens at the end until we get there, not long before you get there with us. Each week we bring you the next chapter in the story, so it's important to listen to the episodes in order.
inSocialWork	http://www.insocialwork.org/	inSocialWork® is the podcast series of the University at Buffalo School of Social Work. The purpose of this series is to engage practitioners and researchers in lifelong learning and to promote research to practice and practice to research. inSocialWork® features conversations with prominent social work professionals, interviews with cutting-edge researchers, and information on emerging trends and best practices in the field of social work.
Jazz Greats	(Unable to find a podcast called Jazz Greats but did discover this: https://player.fm/featured/jazz)	
U Talkin' U2 to Me?	http://www.earwolf.com/show/u-talkin-u2-to-me/	In anticipation of U2's latest album release, Adam Scott (Parks and Recreation) and Scott Aukerman (Comedy Bang! Bang!) come together as superfan Adam Scott Aukerman to discuss the music and impact of the band. Listen in as these friends cover everything from Boy to No Line on the Horizon, and reveal a little something about themselves along the way.
CBS Sunday Mornings	http://www.cbsnews.com/podcasts/	
NPR Hidden Brain	http://www.npr.org/podcasts/510308/hidden-brain	The Hidden Brain helps curious people understand the world – and themselves. Using science and storytelling, Hidden Brain's host Shankar Vedantam reveals the unconscious patterns that drive human behavior, the biases that shape our choices, and the triggers that direct the course of our relationships.
Harry Potter	http://mugglecast.com/	Welcome to MuggleCast.com, the online home of our Harry Potter podcast! Our show has been podcasting about J.K. Rowling's Wizarding World since 2005. With each new episode we

		discuss the latest Harry Potter, Cursed Child, and Fantastic Beasts news and theories, and discuss all things fandom.
Diane Rehm Show	https://thedianerehmshow.org/podcasts	From NPR and WAMU 88.5 in Washington, The Diane Rehm Show is a live, award-winning program featuring smart conversation and civil dialogue on top news stories and new ideas, two hours a day, five days a week.
The Nerdist	http://nerdist.com/podcasts/nerdist-podcast-channel/	I am Chris Hardwick. I am on TV a lot and have a blog at nerdist.com . This podcast is basically just me talking about stuff and things with my two nerdy friends Jonah Ray and Matt Mira, and usually someone more famous than all of us. Occasionally we swear because that is fun. I hope you like it, but if you don't I'm sure you will not hesitate to unfurl your rage in the 'reviews' section because that's how the Internet works.
Happier	http://gretchenrubin.com/podcast/	"My experiments in the pursuit of happiness and good habits."
