

SUMMER READING BOOK LIST 2021 Infant to Pre-K

The titles selected for this Summer Reading list were chosen especially for infants through Pre-Kindergarten students. Titles included are just a sampling of what you may enjoy reading, listening to, and playing with during the summer. Many of the authors on this list have written more than one book. Check out some of those titles, too!

Developed by staff from Howard County Library System.

* also available in electronic format.
